COMPLETING THE OWL ORNAMENT

1. Center the front panel on an owl body as shown in the photo and whipstitch the edges. Attach the beak in the same manner. Sew the two $\frac{3}{8}$ " black buttons to the face for eyes.

Whipstitch

2. Tie the ends of the remaining pearl cotton cord in a knot so that a 3" loop is formed.

3. Pin the owl front and back together and insert the knotted end of the hanging loop at the top; pin in place. Blanket-stitch around the edge, catching the hanging loop in the stitches. Before closing, insert fiberfill stuffing to a medium firmness.

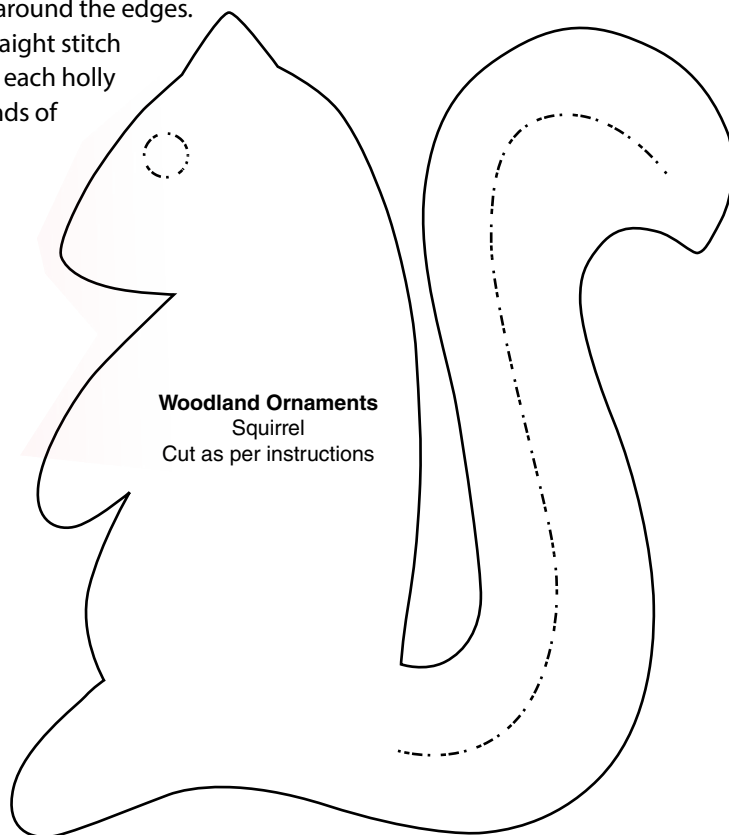

4. Pair two wings and blanket-stitch around the edges. Repeat with the remaining two wings. Apply glue to the top back of the wings and press to owl front as shown.

5. Pin the two branch shapes together and blanket-stitch around the edges.

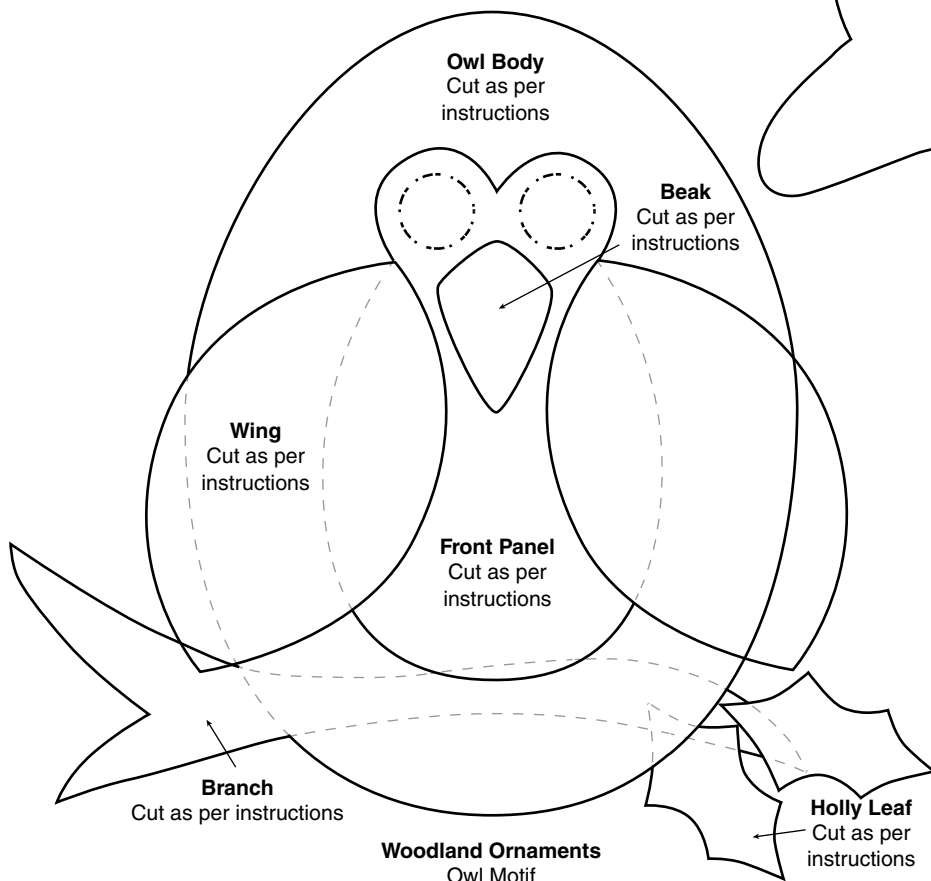

6. Make a single straight stitch down the center of each holly leaf using two strands of green floss.

7. Determine placement of owl and holly leaves on branch, referring to photo. Glue the holly leaves to one end of the branch as shown. Apply glue to the center of the branch front and press bottom of owl to the branch to attach. **QW**
