First Snow Pillow
Assembly Diagram 18" x 18"

"I love to make quilted pillows to celebrate the holidays, mark the changing seasons and give as gifts. This classic blue-and-white design combines cozy flannel, soft wool felt and hand-stitched details in a project that's as much a joy to create as it is to display."
—Jen Daly

COMPLETING THE POT HOLDER

1. Draw a diagonal line from corner to corner on the wrong side of the B, D and E squares.

2. Place a B square on the right edge of an A rectangle and sew on the marked line as shown in Figure 1. Trim the seam to $\frac{1}{4}$ ", open and press. Repeat on the left side to complete the hat unit.

Figure 1

3. Referring to Figure 2, place a D square on opposite corners of the two C rectangles and sew on the marked lines. Trim the seams to $\frac{1}{4}$ ", open and press.

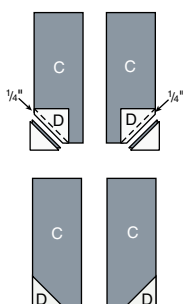

Figure 2

4. Place E squares on the corners of the long side of the F rectangle as shown in Figure 3. Sew on the marked lines, trim the seams to $\frac{1}{4}$ ", open and press.

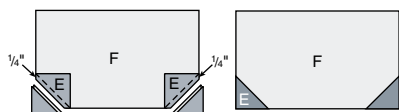

Figure 3

5. Sew a G rectangle to the bottom of the unit from step 4 as shown in Figure 4. Press.

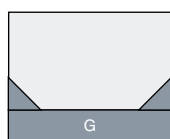

Figure 4

6. Referring to the Placement Diagram, sew a unit from step 3 to each side of the unit from step 5. Sew the hat unit from step 2 to the assembled units.

7. Refer to Raw-Edge Fusible Appliqué instructions on page 57 and patterns given to make one pink nose and two mustache halves from the white with gray print fabric, reversing pattern for one.

8. Referring to the Placement Diagram and photo, place the mustache halves on the beard and the nose overlapping the mustache and hat. Fuse in place and machine blanket-stitch the edges, using a matching pink for the nose and gray for the mustache.

9. Layer the backing (right side down), the insulated batting, cotton batting and pot holder front (right side up). Pin to secure and quilt as desired. Trim backing and battings to match the top.

10. To make the hanging loop, fold the strip in half lengthwise, wrong sides together, press. Open the strip and fold each long edge almost to the fold line and press. Refold the center and topstitch close to the long, folded edges, as shown in Figure 5.

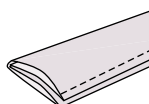

Figure 5

11. To attach loop, fold it in half then pin the raw edges to the back of the pot holder about $\frac{3}{4}$ " from the top corner as shown in Figure 6.

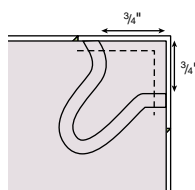

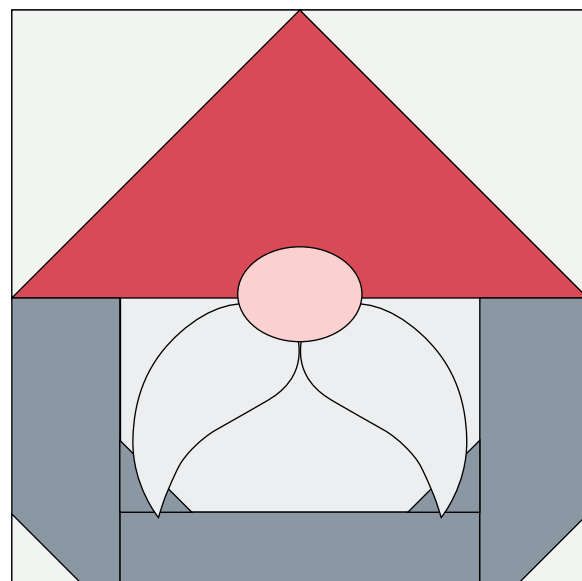

Figure 6

12. Bind referring to Quilting Basics. **QW**
